

Summit Hill School Needs More Revenue

Summit Hill School District 161, which operates the Arbury Hills School, is in need of greater revenue, it has been announced by the board of education.

As a result the board has authorized Supt. William D. Avila to set in motion the procedures necessary to seek approval of an increase of 21 cents in the educational tax rate. The present rate for this purpose is 96 cents. The proposed increase would bring the rate up to \$1.17 per \$100 of equalized assessed valuation. A referendum on the proposal is scheduled for Sept. 24.

Except for one tax referendum beaten in 1963 the residents of the Summit Hill District have always supported the needs of the school. The last increase in the educational fund tax rate was in 1960. That was when the voters approved a raise from 75 to 96 cents.

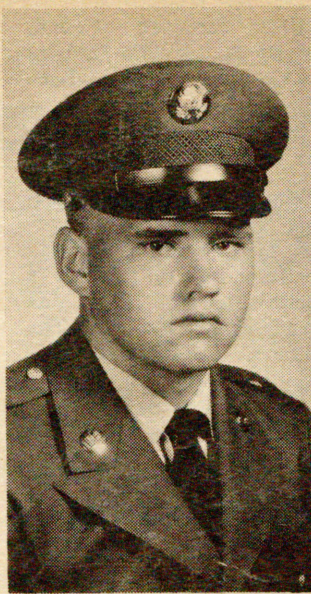

The financial problems the district faces are acute, according to a board spokes-

man. The increased enrollment has created the need for additional classroom space, which brings the operating cost above the district's present income.

The voters of the district approved a bond issue some months ago to cover the cost of additional rooms and office space. More money is needed now to enable the district to make use of these facilities.

According to Supt. Avila, the records show that in 1960 the equalized assessed valuation behind each pupil was \$43,097, as compared to the present figure of \$11,227. This illustrates the fact that the increasing valuation in the district has not kept pace with the increasing enrollment, Avila pointed out.

Supt. Avila is arranging a schedule that will bring him in contact with as many of the people of the district as possible between now and Sept. 24, in order to acquaint them with the financial problems of the school.

PVT. WARREN BORMET, son of Mr. and Mrs. Vernon Bormet, Mokena, was home on leave after having completed his basic training at Fort Polk, La. He came home July 31, and left Wednesday (Aug. 10) for Aberdeen Proving Grounds, Maryland, where he will attend the Wheeled Vehicles Mechanical School. He entered the Army May 26.

Hold Hearing Aug. 22 On Closing Two Roads

A public hearing on the closing of two area roads because of construction of FAI-80 is to be held in the Willowcrest School at Mokena, Aug. 22. The hearing is scheduled to begin at 10:30 a.m.

Notice of the hearing was given this week by Division of Highways of the Illinois Department of Public Works and Buildings.

The two roads involved at Maple Av., just west of U.S. 45, and Sarton Av., at a point half a mile south of 183d St.

Maple Av., it was explained at the District Highway office in Elgin, is 187th St., just west of U.S. 45. This means that persons living on 187th west of U.S.

45, will have to take 104th Av. to 191st St. and thence east to reach that thoroughfare.

Sarton Av. is another name for 76th Av. and the proposed closing will be in Tinley Gardens. Originally there was to be an overpass over I-80 on 76th Av., which would have left that thoroughfare open. The overpass is now to be located on 80th Av.

This change was made because there is to be an interchange at Harlem Av. and I-80 in Tinley. Harlem is also 72d Av., and it was decided 72d and 76th Aves. were too close together.

U.S. 45 is 96th Av., and there will be a cloverleaf interchange with I-80 there in the vicinity of 183d St.

The contract has been let for building approximately

six miles of I-80 in the New Lenox area and work has started, as persons using Francis Rd. already know. The work will extend from U.S. 30 to the vicinity of Wolf Rd., north of Mokena.

U.S. 45 is to be moved westerly from 183d to the vicinity of 191st St. At the widest point of divergence it will be approximately 650 feet from the present line. As has been stated several times previously U.S. 45 will pass over the Rock Island tracks instead of under them as it does now. This will be a good thing, it is agreed locally, because the Rock Island underpass is blocked when there are heavy rains or snows, necessitating a detour.

Mokena Library District Wins Approval of Voters

Mokena is to have a district library.

The proposal was approved in a special referendum held last Saturday, having carried both inside and outside the corporate limits.

The combination total was 218 Yes votes to 114 No votes.

The total vote cast was 335. There were three spoiled ballots.

There were two polling places, Carpenter Street School for residents within the village of Mokena and Bernardin Florist garage for those living outside the village limits. The district encompasses the Mokena grade school district, with the exception of Rolling Heights which is in New Lenox Township and New Lenox has a township library.

At Carpenter Street School the vote was:

109 Yes
75 No

At Bernardin's:

109 Yes
39 No

The referendum was ordered by Circuit Judge Michael Orenic on a petition filed by residents of the community. He also appointed a board of trustees who will serve until 1968 when the district can hold an election. The board is made up of: Mrs. Rudolph Engelhardt, Mrs. Lewis Richards, Joseph Bernardin, Clarence Miller, George E. Sangmeister and Walter Welsch. Formation of a library district in Mokena will enable the area to continue to receive books from the state library and also receive other aid that will come thru the establishment of regional library centers.

The state legislature last year revised the library laws so it makes it impossible for a library to operate if it is not tax supported, unless it is fortunate enough to be endowed with a trust fund of about a million dollars.

As a part of a regional library center the Mokena library will have access to many services and much material that heretofore would have been available only.

Orland Park has a village library, New Lenox a township library, Frankfort a village library. Mokena decided to go for a district library when library advocates at Frankfort indicated they were not interested in a township set-up and established a library of their own. The Mokena group did not believe the village provided a broad enough tax base and so elected to plump for a library district. Because the district takes in non-urban as well as urban property the proposition had to carry in both areas. Defeat in either would have meant defeat of the proposal.

Under the district plan the board may levy up to six cents per \$100 equalized assessed valuation. It is up to the board to determine the site for the library.

Krusemark Joins Export Cattle Sale

Albert H. Krusemark, of Frankfort, was among the Registered Holstein owners from Illinois and Wisconsin who recently sold a large number of their cattle to three herd owners in Mexico.

The transaction included 86 female cattle. The largest growup, 70 head, was selected from 25 Wisconsin herds and 16 animals came from 11 herds in Illinois.

In 1965, a record number of Registered Holstein exports was listed by the Holstein Association. More than 3,600 animals of all ages

Mokena Schools Getting Ready For The New Year

Less than three weeks of vacation are left to pupils of the Mokena public schools. The school year will begin there Aug. 31. At St. Mary Parochial School classes are scheduled to begin Sept. 6.

At St. Mary, Sister Theresa Clair, who has been teaching at Auburn, Ind., will return as principal, replacing Sister Cordelia, who is going to Paradise, Calif. Sister Theresa Clair has been away from Mokena for seven years.

Fifteen classrooms will be in use at the school this fall, as a result of the building program last year, and the estimated enrollment is placed as 440. The attendance figure at the school has been growing steadily.

Lay teachers on the staff this year are, Mesdames: Dolores Barenz, Patricia Flynn, Marion Kruzich, Josephine Purateri and Helen Van Fleet; also Charles Van Slyke Jr., Thomas Durkin Jr., and Perry Friedman. Also teaching will be Sister Emmanuel, Sister Augusta, Sister DeFrontfort, Sister De-

Padera and Sister Harriet.

Physical and dental examinations are required by law of all pupils entering first and fifth grades, or from out of state.

Supt. James Ennis, of the public school system, has announced a change in pupil assignments in the two schools for the coming year. Grades one thru five will be housed in Carpenter Street School, for pupils residing east of Wolf Rd. Those west of Wolf Rd., in the first five grades will go to Willowcrest School.

Sixth, seventh and eighth grade classes will all be conducted at Willowcrest.

The enrollment for the coming school year is estimated some 600 pupils. Because of this, Ennis said, there will be an additional sixth grade class this year and some other grades will be divided into three sections.

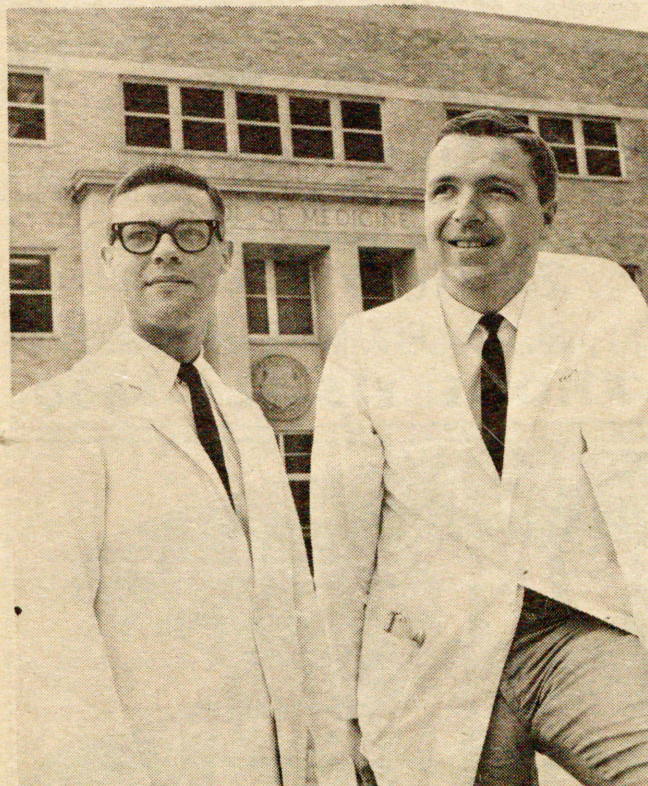

School is to open at 9 a.m., Wednesday, Aug. 31. A teacher's workshop is to

be held the day previous, Aug. 30, beginning at 9 o'clock.

The book rental fee this year will be \$9.50 and the fee for milk will be \$5. These fees may be paid anytime this month and so avoid standing in line on the first day of school.

Bus routes are to be the same as last year on the opening day of school.

The Happy Hour Kindergarten will open Sept. 6 and a full enrollment of 25 pupils is already registered. The kindergarten, which is operated and maintained by the Mokena Woman's Club, is conducted in the Fellowship Hall of the Mokena Methodist Church. Mrs. Wesley Sievert is the teacher.

CHARLES OTTO, (right) son of Dr. and Mrs. Claude Otto, Frankfort, a junior medical student at the University of Missouri, has been elected vice president of the seven-state region which includes 11 medical schools, of the Student American Medical Association. At the left is a senior medic at Missouri, Blair Behringer, of Winter Park, Fla., who was elected president of the group. They are to serve for the 1966-67 school year. (MU photo)

Arbury Hills

Need Adult Leaders
In Scouting Program

MRS. EDWARD HOVI
Telephone: 479-5740

HELPI Please, ladies,
there is a dire need for your

assistance in the Girl Scout-
ing Program in Arbury Hills.
There is a need for addition-
al co-leaders in both the
Brownie Girl Scout and the
Junior Girl Scout ranks.

Without additional adult
leaders for the girls, there
will have to be drastic cur-
tailment of the scouting pro-
gram this fall in our com-
munity.

Any ladies who would be
interested in contributing
their time and talents to
the scouting program are be-
ing asked to call Mrs. Alice
Kilgore at 479-5369. It is not
necessary to have a girl
participating in the scouts
in order to be eligible to be
a leader. All that is nec-
essary is the time and the
interest in young girls, not
even previous experience is
required, since all leaders
attend a training program to
learn the ways of a scout
leader.

The Cadettes Girl Scouts
are planning a three day
campout at the Indiana Dunes
State Park in conjunction
with the girls of the New
Lenox Cadette Troop, the
Mokena Cadette Troop, and
the Frankfort Cadette Troop
of Lincoln Estates.

The campout is scheduled
for the sixteenth, seven-
teenth, and eighteenth of
August, and promises to be
an enjoyable time for all

Next Saturday evening,
August 20, at 7:00 P.M. is
the big night for the Father-
Son Baseball Banquet at the
school. That night will see
the awarding of the trophies

The members of the ban-
quet committee will con-
tact the mothers of the boys
participating to ask for a
contribution of food side
dishes toward the meal. The
Baseball League will pro-
vide the meat.

The managers of each of
the baseball teams are re-
minded to contact all their
boys concerning their at-
tendance at the banquet.

Almost all of the regular-
ly scheduled games in all the
leagues have now been play-
ed, with just the Shaumnessy
Playoffs remaining to be fin-
ished.

The two Farm Teams, the
Angels and the Wildcats, met
for their final game last
week in Arbury Hills. The
score was not as close as
one would hope with the
Angels defeating the Wild-
cats by the score of ten to
four.

The White Sox Little
League Team played two
games during the week with
one more remaining of the
regular schedule.

The first game matched
the Arbury Hills White Sox
against the New Lenox Econ-
omy Giants with our winning
a shutout five to zero.

The second game pitted
the White Sox against the
other New Lenox team, the
New Lenox Savings Yankees,
with the White Sox squeaking
past with a six to five win
in a well played game on
both sides.

One more game is sched-
uled that one against the
Manhattan Sportsmen this
week to complete the regular
season.

The Pony League Team,
the Lincoln Hill Dodgers,
also played two games. The
Dodgers opposed the Man-
hattan Lions with a close
score showing them tri-
umphing by the score of
six to five.

The second game was an-
other story when the Mokena
Sox clambered atop the Dod-
gers by the one way score
of fourteen to zero with the
game being called after three
innings, because of the wide
difference in score as pro-
vided by the baseball rules
for boys baseball.

The Colt League entry the
Arbury Estates Cubs, man-
aged to play three regular
games, including a make-up
game against Frankfort, and
one of the play-off games.

The first game was the
make-up game against
Frankfort which saw the
Cubs defeat them by the
score of nine to zero.

The second game ended in
an eight to eight tie with
the Cubs playing the New
Lenox Lions. The game will
remain as a tie, since it did
not figure either way in the
first place.

The third game was

against the Mokena Braves
with the Cubs outplaying the
Braves and emerging the
victor by the one run differ-
ence of five to four.

They also managed to be-
gin the play-off games and
won that game too against
the New Lenox Lions by the
score of seven to five.

New Lenox

Camp Little Squaws Termed Big Success

MRS. DOLORES ANDERSON
Telephone: 485-2365

The New Lenox girl scout troops completed Camp Little Squaws, a week long day camp at Messenger Woods and was enjoyed immensely by the more than 100 people attending each day. There was five units of girls and each unit cooked its own meals over a wood fire.

The scouts took hikes and made some handicraft items, among them seven and ten foot tall teepees. Because of rain on Wednesday, camp was held at Haven School gym. The girls acted out Indian legends, having made their own costumes and scenery. On Thursday, the juniors and cadettes rode their bicycles from Oakview school out to the woods and back. Seventeen juniors spent Friday night camping in the park.

'Sitting Duck' Crashes Are A Growing Menace

"Sitting duck" accidents are becoming a more and more serious problem with the rapid expansion of interstate highway construction Francis S. Lorenz, director of the Illinois Department of Public Works and Buildings, reported today.

An automobile breakdown on today's high speed tollways and freeways places the driver in a highly hazardous situation. Motorists following him may not immediately realize a car is standing still, Lorenz said.

Mokena Park Board To Build 4 Tennis Courts

Tennis courts are to be added to the recreational facilities at Mokena Community Park. The park district board at its meeting last Thursday night tentatively awarded a contract for four courts and a fence to enclose them. The cost will total \$24,997.30, according to the low bids.

Charles Swanberg, board president, said that the courts can be built without any issuance of bonds or tax increase--the district has the money.

The Crown Rock Asphalt Co., Joliet, was low bidder on the grading, construction of the courts, surfacing, landscaping and seeding with a figure of \$19,789. The only other bid on building the courts was submitted by S.G. Hayes Co. This was a combination bid that included the fence and totaled \$27,028.40. The fence was put

in at \$5,583.40, which left the figure for the construction of the courts at \$21,444.60.

Contract for the fence has tentatively been awarded to the Lansing Fence Co., of Lansing, Ill., for \$5,208.30.

There was three other bids on the fence:

Chicago Fence & Equipment, \$7,294.30; Flynn Fence & Supply, \$7,668.74 and Guard Fence, Inc., \$7,796.34.

The courts will be constructed on the west side of the entrance road to the park, about half-way back.

The contracts were awarded subject to a check and verification of the bids by William E. Rose and Associates, landscape architects, of Hinsdale.

The board also adopted the appropriations ordinance for the district, which is published on another page in this issue. The total ap-

propriation is for \$52,650 of which \$49,350 is to be raised thru taxation and \$3,300 to be forthcoming from other sources. The largest single item in the budget is \$25,000 earmarked for the tennis courts. Money cannot be spent unless the expenditure is provided for in the appropriation ordinance. The measure also carries an appropriation of \$12,000 for land purchase, if land and money are available.

The summer recreation program for youngsters of grade school age closed Friday, Aug. 5. Miss Carol Lauffer was in charge.

It was reported at the board meeting that Community Park has had its greatest use this year since it was established, with bookings for picnics, reunions and family gatherings.

Honor New Pastor Of Community Church

MRS. VIRGINIA SASS
Telephone: 485-6424

An inspirational service of installation for the Rev. John P. Burger, new pastor of the Marley Community Church, was held at the church at 2:30 p.m. on July 31, 1966. Nearly 100 people were in attendance, including Rev. Burger's parents and sister, Mr. and Mrs. Alfred E. Burger and daughter Marilyn of Indianapolis, Indiana.

Participating in the service were the chairman of the board of deacons of the church, Harwood Stellwagen; the church moderator, James Tilsy; and eight members of the clergy: Rev. Harold Finley of Lockport; Rev. Raymond L. Scott of the Homer Congregational Church; Rev. Alva M. Varnado of the Aurora Baptist Association; Rev. Lawrence E. Jantz of the Will County Minister's Association; Rev. Harold A. Schlink of the Illinois Baptist State Convention; Rev. Paul Sanders of the Palos Community Center; Rev. Gerald Johnson, chaplain of the Silver Cross Hospital; and Rev. Burger. The installation sermon, "For a Relevant Ministry" was given by Rev. Schlink. The special music was a vocal solo, "My Task" by Daniel Sass accompanied by the organist, Mrs. Edward Sproat.

A reception followed the service in the Fellowship Hall. Mrs. Charles W. Lauffer and Miss Helen Tilsy poured the punch from a long

table covered with a white linen cloth. An arrangement of pink gladioli and white mums flanked by shaded pink tapers in crystal holders centered the table.

Mr. and Mrs. Floyd Slocum left on Wednesday for their home at Clermont, Florida, after spending a month with their daughter and family, the Otto Moravacs.

Lee Fears arrived home on Thursday from Mysore State, India, where he completed his service with the Peace Corps. He spent several months in India working in the poultry division.

Mr. and Mrs. Charles Greetis spent a few days recently vacationing in northern Wisconsin.

Mrs. Herman Benck entertained the Twelve Trumps in her home Tuesday evening. Prizes were awarded to Mrs. Charles Ingram, Mrs. Otto Moravec and Mrs. Clarence Troutman. Awards for double pinnock went to Mrs. Loren Sass and for a double run to Mrs. Moravec. Mrs. and Mrs. Don Reid

and sons have returned home after spending two weeks at a fishing resort on Leech Lake, Minnesota.

Mr. and Mrs. William Little and family have returned home from an eastern motor trip.

Mrs. Loren Sass entertained at a luncheon in her home on Tuesday. Guests were Miss Gladys Leatherman of Joliet; Mrs. Walter

Bridge of Elwood; Mrs. Harwood Stellwagen and Mrs. Russell Lauffer.

Mr. and Mrs. Alfred E. Burger and daughter Marilyn of Indianapolis, Ind. were Sunday guests of Rev. and Mrs. John Burger and Lisa.

Open Letter from the Hirschs

Dear friends,

It is often preferred that clothing worn during life be worn by the deceased in burial. However, designers of burial garments have applied such fine styling, craftsmanship and attractive fabrics, that an increasing ratio of families are selecting burial garments - especially in view of their reasonable cost.

Respectfully,

Edwin Hirsch

Roger West Makes It 3 Straight In Midgets

Last winter Bob Corson of Harvey, Ill., put a Chevy 11 midget race car together that proved to be a winner with Jolietan, Roger West behind the wheel of the car. Three weeks ago, West won the first feature event of his race career, Saturday night at Joliet Memorial Stadium, he made it three in a row!

Starting in the sixth row of the feature event last Saturday night, in a 100 percent inverted field of cars, West set sail for the checkered flag and victory and was never headed! It was his race, all the way. Two weeks ago, young West won

the mid-season championship race in Corson's number 15 race car. This week, the rising young star has taken his place in the top ten drivers' roster in the United Auto Racing Association.

Augie Bocker of Joliet, finished second behind West in this thrilling 30 lapper, followed by Gene Varing (U.A.R.A. President from Oak Lawn, Ill.). Paul Radmacher of Joliet was fourth.

Newt White of Lockport, was fast qualifier for the second week in a row. Phil Palombo won the 6-lap trophy dash event.

Heat winners were visitors, Jim Hinds of New Castle, Ind., Tom Ward from Lafayette, Ind., (a frequent visitor at the Stadium), Augie Bocker of Joliet and Ron Clemens, LaPorte, Ind.

Clemens scored two wins for the evening when he picked-up the checkered flag for the 15-lap Semi.

Bobby Richards of Lockport, who was involved in an accident and a spectacular flip at the Stadium a week ago, was back in the thick of the action Saturday night behind the wheel of the Giamapolo Chevy 11, No. 27 race car. The Richards, Swenson car was virtually demolished in the accident two weeks ago and is being re-built.

John Pancho Padilla took over the lead in points last week and hung onto a slim lead this week over Phil Palombo.

Races every Saturday night at Joliet Memorial Stadium, Rte. 52, two miles west of Joliet. Time trials at 7:00 p.m. with the first race set for 8:15.

IN ORNAMENTAL HORTICULTURE AND FLORICULTURE

Salt on the table may be insignificant but it's the basis for the Chicago Morton Salt family fortune. On this fortune in turn is based the world famous Morton Arboretum at Lisle.

This September the Arboretum takes a big step when it appoints Dr. Marion Hall the second director in its history. Clarence Godshalk the present director is retiring after 45 years of service.

It was under Godshalk that the Arboretum grew from a rolling piece of farm land to its present collection of 4,800 species, varieties and hybrids of woody plants.

Special features of the collection include the largest hedge demonstration planting in the nation. This collection is of special use to nurserymen, landscapers, and gardeners in the mid-west. A careful study of the planting reveals those plants that are especially adaptable as hedging in this area. Rather than being restricted to only yew and privet a gardener can choose from dozens of possibilities. Those plants that are less suited for hedging are also included in the collection. This enables the horticulturist to discriminate between the good and the very best in the 195 plant collection.
